ENDOWED BY OUR CREATOR!

"When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

"The Declaration of Independence dogmatically bases all rights on the fact that God created all men equal; and it is right; for if they were not created equal, they were certainly evolved unequal. There is no basis for democracy except in a dogma about the divine origin of man. That is a perfectly simple fact which the modern world will find out more and more to be a fact. Every other basis is a sort of sentimental confusion, full of merely verbal echoes of the older creeds." G. K. Chesterton, *What I Saw in America*.

As we celebrate the birth of this great nation, let's remember that this great nation is founded on the principle that "Nature and Nature's God" has given every human person the right to be alive and the right to be free. John Paul II once observed: "America has always wanted to be a land of the free. Today, the challenge facing America is to find freedom's fulfillment in the truth: the truth that is intrinsic to human life created in God's image and likeness, the truth that is written on the human heart, the truth that can be known by reason and can therefore form the basis of a profound and universal dialogue among people about the direction they must give to their lives and their activities."

As the great American writer, Elmer Davis observed: "This nation will remain the land of the free, so long as it remains the home of the brave." Let us pray that we remain a nation that fights and strives for women and men, made up from a diverse array of cultures to be alive, happy, and free. We thank those who have made sacrifices, including the ultimate sacrifice for our freedom. We pray that brave men and women will still today be the voice and champions of the immigrant, the unborn, and all those marginalized. For, the human conscience, which we believe is formed by God, tells us that all human persons, as declared by the founding document of our great nation, are "endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness." Happy Independence Day! May God bless us all and may he bless the United States of America.

DO YOU KNIT OR CROCHET?

Our Lady , Undoer of Knots group meets every Tuesday at 9:00am. **We have been making prayer shawls for anyone in need of prayers, warmth or love.** We would now like to add to our services by making white shawls to be given to mothers and babies at baptism. Needless to say, we need more hands to accomplish this. If you are unable to attend our meetings, but would like to help by working at home, please call the Parish Office or 455-1590. We can't do this without your help.

ENGAGE NOW.

The Little Flower Rosary Makers ministry is in honor of St. Thérèse of Lisieux. We would like to find and/or teach others to make rosaries, so that we may distribute them to the homebound, visitors, our children, and all those who need them. We meet Tuesdays at 10:30 am in the St. Juan Diego room.

Televised Mass for the Homebound - For those who are unable to attend Mass due to medical or physical limitations, the Diocese of Venice offers a televised Mass each Sunday. For viewers in the northern portions of the Diocese, the Mass airs at 9:30 a.m. on the CW Network; and for those in the southern portions of the Diocese, the Mass airs at 10:30 a.m., on WFTX-TV (FOX-4). Check your local listings for channel information. Leaflet missals are available by contacting Gail Ardy at 941-486-4714, or ardy@dioceseofvenice.org.

CAN WE CHANGE PEOPLES' MINDS?

Some people (including many Catholics) feel like it is futile to continue to have a debate over the issue of abortion because people feel too strongly about it and have already made up their minds as to what they think.

This is wrong.

People throughout history have changed their minds on vital social issues. When the United States was new, there was no suffrage or equal rights for women and racial minorities. Almost universally in the United States today, the general populace recognizes that this was wrong and that women and non-whites are entitled to their basic rights as human beings and the law recognizes it too.

It took many years and decades of intense struggle involving emotions just as fierce if not more fierce than those surrounding the Pro-Life Movement in the 21st century.

But victories for freedom were won and people certainly did change their minds. That is how change happens. Education is vital so that more people understand the struggle to protect innocent life in the womb and then stand ready to defend the rights of all living people, including the unborn.

Change can happen, and change will happen, providing we do our part to work tirelessly to advocate change for a freer, better world where the weak and vulnerable are protected and not exploited and/or victimized. *Pro-Life Articles*

¡FELIZ DÍA DE LA INDEPENDENCIA!

"Cuando en el curso de los acontecimientos humanos se hace necesario para un pueblo disolver los vínculos políticos que lo han ligado a otro y tomar entre las naciones de la tierra el puesto separado e igual a que las leyes de la naturaleza y el Dios de esa naturaleza le dan derecho, un justo respeto al juicio de la humanidad exige que declare las causas que lo impulsan a la separación."

Sostenemos que estas verdades son evidentes en sí mismas: que, todos los hombres son creados iguales; que son dotados por su Creador de ciertos derechos inalienables; que entre éstos están la vida, la libertad y la búsqueda de la felicidad."

"La Declaración de Independencia basa dogmáticamente todos los derechos en el hecho de que Dios creó a todos los hombres iguales; y es correcto; porque si no fueron creados iguales, ciertamente fueron evolucionados desiguales. No hay base para la democracia excepto en un dogma sobre el origen divino del hombre. Este es un hecho perfectamente simple que el mundo moderno descubrirá cada vez más para ser un hecho. Cada otra base es una especie de confusión sentimental, llena de ecos meramente verbales de los credos más antiguos". G. K. Chesterton, Lo que vi en América

Al celebrar el nacimiento de esta gran nación. Recordemos que esta gran nación se basa en el principio de que "La naturaleza y el Dios de la naturaleza" ha dado a toda persona humana el derecho a estar vivo y el derecho a ser libre. Juan Pablo II observó una vez: "América siempre ha querido ser una tierra de los libres. Hoy, el desafío al que se enfrenta Estados Unidos es encontrar el cumplimiento de la libertad en la verdad: la verdad que es intrínseca a la vida humana creada a imagen y semejanza de Dios, la verdad que está escrita en el corazón humano, la verdad que puede ser conocida por la razón y por lo tanto puede formar un diálogo profundo y universal entre las personas sobre la dirección que deben dar a sus vidas y a sus actividades".

Como el gran escritor Estadounidense, Elmer Davis observó: "Esta nación seguirá siendo la tierra de los libres, siempre y cuando siga siendo el hogar de los valientes". Oremos para que sigamos siendo una nación que lucha y se esfuerza por mujeres y hombres, formados por una amplia gama de culturas para estar vivos, felices y libres. Agradecemos a aquellos que han hecho sacrificios, incluyendo el sacrificio final por nuestra libertad. Oramos para que los hombres y mujeres valientes sigan siendo hoy la voz y los campeones del inmigrante, del no nacido y de todos los marginados hoy. Porque, la conciencia humana, en la que creemos está formada por Dios, nos dice que todas las personas humanas, como lo declara el documento fundacional de nuestra gran nación, están "dotadas por su Creador de ciertos Derechos inalienables, que entre ellos se encuentran la Vida, la Libertad y la búsqueda de La felicidad."

¡Feliz Día de la Independencia! Que Dios nos bendiga a todos, y que bendiga a los Estados Unidos de América.

En Jesucristo, P. Casey

Do You Know a Young Person with a Drug Problem?

Perhaps you know of a young friend, neighbor or classmate who suffers from drug addiction and does not know where to turn for help. Drug Addicts Anonymous believes all individuals suffering from addiction have a right to access recovery, be self-sufficient and independent. Yet, today many young people affected by drug addiction are deprived of a sense of self-worth because they cannot pay for proper treatment or access recovery resources and support. Drug Addicts Anonymous provides an opportunity for long term recovery and positive change through a no cost service. Based on a twelve-step program, the focus is on the physical, mental and spiritual condition as a whole person; contributing to the individual's social reintegration in a dignified and efficient way. HELP ENSURE LONG-TERM SUPPORT OF ST. ELIZABETH SETON PARISH AND SCHOOL

Through the generosity and Catholic Legacy of parish and school families, St. Elizabeth Seton Catholic School presently has two endowment funds with the Catholic Community Foundation of Southwest Florida. Endowment funds are designed to assist in providing long-term stability and sustainability beyond a donor's lifetime.

By creating or participating in endowment funds, donors both confirm and extend beyond their lifetime a commitment and conviction to Christ Jesus' mission and ministry of the Gospel proclamation of God's Kingdom among us. Additionally, endowment funds secure St. Elizabeth Seton Catholic Church and the School's future to form disciples and apostles of Christ Jesus for our community and the community-at-large. If we as a faith community and school seek to discern and respond to the future, we must plan for it as well.

Once an endowment is established, it is open to anyone wanting to contribute, in any amount desired. The endowment funds are structured so that the original gift amount (or principal) remains intact, while the investment earnings are used to support our parish and/or school. This creates a reliable and consistent revenue stream to help supplement funding for programs, ministries, future construction, and the needs for St. Elizabeth Seton Catholic Church and the School's future.

Many endowment funds are created through gifts from wills or trusts, however, several donors choose to fund endowments while they are still living, so that they can see the fruit and impact of their commitment and support. There are numerous ways to fund an endowment including gifts of cash, securities, property, and more.

We encourage and invite each of us to pray and consider supporting this program. Creating or contributing to an endowment fund to support a favorite program and/or ministry will permit a legacy to future generations seeking to grow in faith, hope, and love.

Thank you from all the students and staff of St. Elizabeth Ann Seton School.
