## PRUDENT STEWARDS: SCOTT HAHN REFLECTS ON THE 25TH SUNDAY IN ORDINARY TIME

The steward in today's Gospel confronts the reality that he can't go on living the way he has been. He is under judgment. He must give account for what he has done.

The exploiters of the poor in today's First Reading are also about to be pulled down, to be thrust from their stations (see Isaiah 22:19). Servants of mammon or money, they're so in love with wealth that they reduce the poor to objects; they despise the new moons and sabbaths—the observances and holy days of God (see Leviticus 23:24; Exodus 20:8).

Their only hope is to follow the steward's path. He is no model of repentance. But he makes a prudent calculation—to use his last hours in charge of his master's property to show mercy to others, to relieve their debts.

He is a child of this world, driven by a purely selfish motive—to make friends and be welcomed into the homes of his master's debtors. Yet his prudence is commended as an example to us, the children of light (see 1 Thessalonians 5:5; Ephesians 5:8). We too must realize, as the steward does, that what we have is not honestly ours, but in truth belongs to another, our Master.

All the mammon in the world could not have paid the debt we owe our Master. So He paid it for us. He gave His life as a ransom for all, as we hear in today's Epistle.

God wants everyone to be saved, even kings and princes, even the lovers of money (see Luke 16:14). But we cannot serve two masters. By His grace, we should choose to be, as we sing in today's Psalm, "servants of the Lord."

We serve Him by using what He has entrusted us with to give alms, to lift the lowly from the dust and dunghills of this world. By this we will gain what is ours and be welcomed into eternal dwellings, the many mansions of the Father's house (see John 14:2).

## HELP ENSURE LONG-TERM SUPPORT OF ST. ELIZABETH SETON PARISH & SCHOOL

Through the generosity and Catholic Legacy of parish and school families, St. Elizabeth Seton Catholic School presently has two endowment funds with the Catholic Community Foundation of Southwest Florida. Endowment funds are designed to assist in providing long-term stability and sustainability beyond a donor's lifetime.

By creating or participating in endowment funds, donors both confirm and extend beyond their lifetime a commitment and conviction to Christ Jesus' mission and ministry of the Gospel proclamation of God's Kingdom among us. Additionally, endowment funds secure St. Elizabeth Seton Catholic Church and the School's future to form disciples and apostles of Christ Jesus for our community and the community-at-large. If we as a faith community and school seek to discern and respond to the future, we must plan for it as well.

Once an endowment is established, it is open to anyone wanting to contribute, in any amount desired. The endowment funds are structured so that the original gift amount (or principal) remains intact, while the investment earnings are used to support our parish and/or school. This creates a reliable and consistent revenue stream to help supplement funding for programs, ministries, future construction, and the needs for St. Elizabeth Seton Catholic Church and the School's future.

Many endowment funds are created through gifts from wills or trusts, however, several donors choose to fund endowments while they are still living, so that they can see the fruit and impact of their commitment and support. There are numerous ways to fund an endowment including gifts of cash, securities, property, and more.

We encourage and invite each of us to pray and consider supporting this program. Creating or contributing to an endowment fund to support a favorite program and/or ministry will permit a legacy to future generations seeking to grow in faith, hope, and love.

*Thank you from all the students and staff of St. Elizabeth Ann Seton School.*

## MAYORDOMOS PRUDENTES:

# SCOTT HAHN REFLEXIONA SOBRE EL 25 DOMINGO DEL TIEMPO ORDINARIO

El mayordomo en el Evangelio de hoy confronta la realidad de que no puede seguir viviendo como lo ha hecho hasta ahora. Él está bajo juicio. Debe dar cuenta de lo que ha hecho. Los explotadores de los pobres en la primera lectura de hoy también están a punto de ser derribados, ser empujados de sus estaciones (ver Isaías 22:19). Servidores de mammon o dinero, están tan enamorados de la riqueza que reducen a los pobres a objetos; ellos desprecian las nuevas lunas y los días de reposo: las celebraciones y días santos de Dios (ver Levítico 23:24; Éxodo 20:8).

Su única esperanza es seguir el camino del administrador. Él No es un modelo de arrepentimiento, pero, él hace un cálculo prudente: usar sus últimas horas a cargo de la propiedad de su maestro para mostrar misericordia a los demás, para aliviar sus deudas. Es un niño de este mundo, impulsado por un motivo puramente egoísta: hacer amigos y ser bienvenido a las casas de los deudores de su amo. Sin embargo, su prudencia se elogia como un ejemplo para nosotros, los hijos de la luz (ver 1 Tesalonicenses 5:5; Efesios 5:8). Nosotros también debemos darnos cuenta, como lo hace el mayordomo, que lo que tenemos no es sinceramente nuestro, sino que en verdad pertenece a otro, nuestro maestro. Ni con todo el dinero del mundo no se podría haber pagado la deuda que le debemos a nuestro Maestro. Entonces Él pagó por nosotros, dio su vida en rescate por todos, como escuchamos en la Epístola de hoy.

Dios quiere que todos se salven, incluso reyes y príncipes, incluso los amantes del dinero (ver Lucas 16:14). Mas no podemos servir a dos maestros. Por su gracia, debemos elegir ser, como cantamos en el Salmo de hoy, "siervos del Señor". Lo servimos usando lo que nos ha confiado para dar limosna, para levantar a los humildes de el polvo y las montañas de este mundo. Con esto ganaremos lo que es nuestro y seremos bienvenidos en viviendas eternas, las muchas mansiones de la casa del Padre (ver Juan 14:2)

## LOS ACCIDENTES DE LA VIDA

Los accidentes de la vida nos separan de nuestros amigos más queridos, pero no nos desesperemos. Dios es como un espejo en el que las almas se ven unas a otras. Cuanto más nos unamos a Él por amor, más cerca estamos de aquellos que le pertenecen.

**Join us for a complimentary lunch and networking as we join efforts to end abortion in Collier County.**

Luncheons 4 Life is a grass roots luncheon designed to bring together like-minded life affirming people to network with agencies, churches and life affirming organizations, and concerned individuals to end the demand for abortion in Southwest FL. It began 5 years ago in the Sarasota County area and has born many fruits. There is no cost for the luncheon and no one asks for donations, and it is not a platform for political agendas. While there is always a guest speaker, the best part of the program is when we pass the microphone to anyone of the Spirit inspired audience.

# DOING OUR PART TO CHANGE HISTORY FOR THE BETTER

In 1948, The World Medical Association created the Geneva Declaration as a proclamation of human rights. It was a direct response to the atrocities that had been committed by the Nazis. They were coming out of a period where it had been acceptable to kill, mistreat and perform experiments on those who were thought of as inferior. Therefore, the Geneva Declaration was a means for declaring respect for human life. The oath included this clause, "I will have the utmost respect for human life, from the time of conception."

However, in 1984, it was altered to no longer acknowledge conception. Instead, they replaced it with the words, "from its beginning." That too did not survive. In 2005, it was deleted altogether, leaving no reference to the earliest stages of life. It's shameful how this literally documents our society's degradation of life.

That leads us to the present. What will future generations see in the history we leave behind? **The tragic reality is that we have a culture of death where 60 million innocent babies have been denied the right to live in the U.S.** Abortion mills thrive across the country where the unborn aren't only killed, but abortionists profit from their "profession."

Yet, we have voices that are speaking out affirming the value of life. Technology, via ultrasounds, is showing the world the truth and beauty of development in the womb. Women help centers are located in communities across the country, reaching out to abortion-vulnerable women and saving babies' lives. Pro-life legislation is being introduced on both federal and state levels. Much progress is being made; but make no mistake, it's a bitter ongoing battle. For victory, we must each do our part so that we may stand at the turning point in history, where this generation will restore a culture of life.

Due to our efforts and focus on health, fitness and overall well-being, Seton is recognized as a school that promotes healthier living habits. We partner with NCH and others in making an ongoing commitment to improving quality of life for all those in our community (from the youngest to oldest) through the Blue Zones project. Join us for the celebration at the ribbon cutting ceremony on Tuesday, October 15 at 2pm in the Gym, followed by a Panther Pep Rally!
